The safety of our guests and our staff is our priority. We are implementing the following measures to protect you. We will:

- I. Ensure that the guidelines and recommendations of the public authorities on combatting COVID-19 are enforced, and appoint a COVID-19 manager.
- II. Make disinfectant products available in shared areas for the use of guests and staff.
- III. Introduce floor markings and signage to maintain a safe distance between guests.
- IV. Step up cleaning and disinfection of shared areas and adapt them to meet the requirements and recommendations of the health authorities.
- V. Adhere to cleaning and disinfection recommendations for rooms, using products that meet the NF14476 standard.
- VI. Ideally ensure that linen is left for a period of at least 3 hours before being changed.
- VII. Have linen cleaned by a professional laundry service.
- VIII. Ensure that staff, suppliers and guests comply with barrier measures.
- IX. Ensure that staff are informed about and trained in health procedures and any changes that are made to these procedures.
- X. Clearly communicate all COVID-19 preventive measures that have been introduced within the hotel.
- XI. Ensure that management protocols are in place and adhered to in the event of a suspected case of COVID-19.
